Call for Proposals

INTRODUCTION

Our Vision:

An enriched community committed to a legacy of artistic expression.

Our Mission:

The Armstrong Spallumcheen Museum and Arts Society is a non-profit Society offering a permanent learning environment for the enjoyment, enhancement, and preservation of cultural heritage and art.

What we do:

The Armstrong Spallumcheen Art Gallery hosts monthly art exhibitions throughout the season, featuring solo as well as group shows. We try to balance our annual exhibition schedule in terms of media, content, and practice. Exhibitions are chosen with consideration of our audience - the citizens of Armstrong Spallumcheen and visitors to this area. The Society is committed to offering novel art experiences, supporting emerging artists, and exhibiting artists from this region.

The Galleries:

The Armstrong Spallumcheen Art Gallery is comprised of two exhibition spaces. Both are equipped with halogen cable lights. Ceilings are ten-feet high. A bench, 2.5' high and 2' deep, lines two walls of the Main Gallery. The Main Gallery is approximately 760 square feet, while the Freeze Gallery is approximately 500 square feet. For gallery dimensions, see attached sheets.
